

ESPRESSO O&C

QUICKLY OBTAIN AN EXPERT OPINION ABOUT THE ORIGIN AND CAUSE OF THE FIRE

**FOR A LUMP SUM,
the package includes the following steps :**

- A visit of the fire scene;
- Documentation and information gathering;
- Analysis of charring patterns and potential ignition sources;
- Summary interpretation of the most relevant data;
- Summary opinion within 72 hours following the scene examination.

Depending on the available data, we will provide you with our opinion about the origin and the probable cause of the fire. You will then quickly be able to guide your file and your decision-making.

Restrictions:

- * The ESPRESSO O&C package only applies to single-family houses;
- * The ESPRESSO O&C package does not apply to "major loss" files;
- * The lump sum is no longer applicable when a potential recourse has been identified;
- * Travel expenses are not included;
- * Costs associated with the examination of exhibits with competitors are not included.
